

Quest Food Management Services, Inc. provides lunch services at Resurrection High School. All students are eligible to participate in the pre-pay lunch system called Quest Debit Program. This program speeds up the lunch lines and eliminates the need for the student to carry cash. The computerized system maintains a record of how the student is spending her deposited funds. The parent can request an account history or balance from the cafeteria manager at any time. The student's school ID card is used to make purchases.

To enroll your daughter or to add funds to her account, please use the form below. An initial deposit of \$250 is recommended, but any amount over \$10 will be accepted. Please submit the form and your payment by August 2 to insure that the account is ready for the beginning of the school year. Please note that any check that is returned due to non-sufficient funds will incur a \$30 handling fee.

At the end of the school year, balances will be rolled over to the next school year. Seniors may apply their balances to a younger sister's account. If a parent requests that the balance be refunded at the end of the year, a \$20 service fee will be charged.

If you have any questions, please contact Mrs. Connie Meier, the cafeteria manager, at 773-763-3496. She will be available through June 3 and again beginning August 9.
