

Res Athletics Blast – September 10, 2017

Entire Volleyball Program Is On A Roll – The volleyball program is on a roll. The entire program has less than 10 losses on the season and Varsity is ranked in the top 15 in the state! If you see your classmates around school please compliment them.

Golf Wins First Two Dual Meets – The Golf team defeated Westmont and Montini last week to win their first two matches of the season. Girls – I cannot tell you how proud Coach King and Coach Clark were of you when they told me this. Everyone is working hard and the improvement is showing.

Tennis Dominating League Play So Far – The tennis team is 2-0 in GCAC League play this season with a 5-0 win over Bishop Mac and a 4-1 win over Trinity. The team looks to continue that success next week Tuesday, September 12th at 4:30pm when they take on De La Salle at home. Home Matches are played at Northeast Park in Park Ridge. Being an off-campus sport the team would love the support of their classmates and the community at this match.

Tennis Shows the importance of working hard at the JV level – I want to compliment the tennis team on showing the importance of JV athletics here at Resurrection. From our 12-man varsity roster last year we lost 10 seniors. If it wasn't for the efforts our JV tennis players put in last year, the team would not be off to their hot start this year. The following JV players from last year have stepped up on Varsity.

Amy Talley has went from JV to #1 Singles on Varsity and is currently 2-0 in league play.

Alexa DiBenedetto and Jeslyn Dorband are competing at #1 Doubles and have produced wins for the Varsity team.

Emily Gutzman and Meg Staunton have stepped in at #2 Doubles and have gotten a league win.

Rachel Dietz and Morgan McCarthy have also gotten wins at the Varsity level.

Swim Team Needs Your Support – As many of you know the Swim Team shares a pool with St. Patrick's High School. The team only has three home games left including a big meet with rival Regina Dominican this week Tuesday, September 12th at 6pm at St.

Patrick's High School pool. The team would love the support of the community as they look to defeat Regina for the 2nd year in a row.

Cross Country Working Hard to Grow the Athletic Department

The Cross Country team just hosted a Jr. Bandit meet yesterday. The team had over 100 local middle school girls on campus to show off Resurrections new track and beautiful athletic fields. There was fun and community building by all involved. We thank the cross country team for their hard work promoting Resurrection Athletics.

Basketball Tryouts. Dates Set. Times are TBD – Basketball tryouts are set for October 30th and 31st. The times of the tryouts are “To Be Determined.” I know it is difficult for parents of underclassmen who need rides to not know the times for planning purposes. I ask your patience in this area as we may not know until as late as Sunday, October 29th. The playoff schedule for volleyball will be finalized then. We will have plenty of open gyms and meetings with your daughters between now and then explaining the situation to them. Thank you for your understanding.
