

Resurrection Athletic Blast – July 10, 2018

Summer Camps Success – Summer Camp registrations have been a huge success as we build momentum toward the 2018-19 athletic school year. If you still need to sign up to attend, the complete list of camps and registration is available [HERE](#). Some summer camp highlights are below:

Basketball: Basketball high school summer camps were offered by the week bundled program to offer a large discount to attend all three weeks. The decision has increased attendance and camps have been going well! Most of the basketball players are participating, with just under 30 girls attending. Youth camps are packed as well, with roughly 30 girls in the 4th – 6th camps and 7th – 8th camps. New this year, members of our basketball program will be attending a team camp at University of Illinois in addition to their summer league games. The team camp is for returning players in the program and will help to build team chemistry as we move into the winter JV and Varsity seasons.

Softball: Softball coaches and players are excited for the 2019 season. The team is in a summer league on Mondays and Tuesdays thru mid-July, and the camps are up to over 30 players, an increase over last year. With strong young talent coming up from JV, and many returning varsity players (including both pitchers) the team has their eyes set on a deep postseason run.

Cross Country: Cross Country is again offering their annual running camps. Even if you are not on the Cross Country or Track teams, please consider participating in this camp. It is a great way to get in shape for the upcoming athletic school year. Cross Country is a great sport here at Resurrection because it serves our entire athletic community. There are girls that are serious runners, and there are girls who are working to condition for other sports. Some girls become serious runners and some do not. All we ask is that the girls be committed, show up, and give 100%.

Lacrosse: Coach Wheet and his staff are ramping up the summer training. The team has entered a tournament which is online as Camp #16 if you still need to sign up. This summer the girls will train during camps and then will work to put it all together in games on July 14 and 15 at the Vernon Hills Athletic Complex Tournament. It should be fun to watch this team in 2019! With a more rigorous summer workout program, combined with some talented JV players moving up to varsity, lacrosse should be fun to watch in 2019.

Volleyball: Volleyball camp registration is strong, with many of our players working on their skills over the summer. Equally impressive are the amount of camp registrations at the grade school level. It is exciting for the future of Resurrection volleyball to have so many grade school girls attending our camps. We have invited JV and Varsity players from last year to attend a team camp at University of Wisconsin July 13 – 15. The hope is that the team will get strong competition at this camp and form bonds that will last through the season as they aim to get back to the State Tournament. Volleyball was also able to field a full JV and Varsity team for a summer league this year. The increased participation numbers are exciting as we get ready for the fall 2018 Season!

Soccer: Soccer camp registration at the grade school level are up from last year. We are hoping this will lead to more girls in the program in years to come. Sign-ups are not strong at the high school level at the moment. Current students – if you have not signed up for camp, please do so as soon as possible. The soccer team improved so much this past season under the new coaching staff's leadership. Taking advantage of these two weeks of summer will pay dividends next season.

Schedules Are Up Online – [Schedules](#) are up online for the following sports:

Volleyball: Finalized

Tennis: Finalized

Cross Country: Finalized

Golf: Finalized

Swim: Finalized

Basketball: All games are up. Just have one league game left to finalize, but I am anticipating the current schedule being final.

See game schedules for all fall athletics [HERE](#).

Students must be registered for tryouts. See complete fall athletic tryout requirements and registration [HERE](#).

Wrigley Volunteers Needed for Athletics Fundraising – Resurrection Athletics

Booster Club is running the Red Line Grill (Stand 422) in the bleachers of Wrigley Field this year for 20 games. Resurrection keeps 8% of profits from the stand as the result of volunteering.

We have some volunteer slots left to fill for this year's games. The slots we have left are listed below. To view the current volunteers by game, click [HERE](#). Please email Mr. Kane at ekane@reshs.org if you would like to sign up for a date. If you are signing up others in addition to yourself, please provide their email contacts. Volunteers need to arrive to the Levy Restaurants Building next to Wrigley 3 hours before game time. The address is 3721 N. Clark Street. Chicago 60613. Volunteers also need to complete an alcohol training which Mr. Kane will email to you upon signing up.

July 22: Two volunteers needed

Aug 12: Two volunteers needed

Aug 15: Six volunteers needed

Aug 26: Six volunteers needed

Aug 28: Eight volunteers needed

Sept 15: Two volunteers needed

Sept 16: Four volunteers needed

Sept 27: Six volunteers needed

Sept 28: Three volunteers needed

Sept 29: Nine volunteers needed

Sept 30: Ten volunteers needed
