

Resurrection Athletic Blast – March 12, 2019

Track Performs Well at Maine East Meet – Bandits Track & Field performed well at its meet on Friday, March 8th at Maine East. The jumpers had a good day with Ella Narowski taking 6th place in the long jump, and Tess Minasian and Ellen Nee tying for 6th place in the high jump. Samantha Arce lead the shot-putters with a 6th place finish overall. On the track, Lola Genyk led the way for the Bandits, finishing 5th in the 400 meter dash, and placing 6th in the 55 meter hurdles.

Cubs Concession Stand – Resurrection Athletics is once again running a Cubs concession stand at Wrigley Field to raise money for our athletics programs. **Last year we made just over \$1K per game.** Levy has increased our profits by 1.5% this year. I am hoping with the increase in profit sharing, we will make just over \$1200 a game this year.

Like last year, Resurrection will be back at the Red Line Grill serving the bleacher seats. **We need volunteers to work the games. Please email Mr. Kane at ekane@reshs.org if you can volunteer for a game.**

We need 13 volunteers and a volunteer lead for each game. To be a lead you have to attend a 3-hour food safety training. The Cubs are going to bring that training to us at Resurrection this year, since we were such an asset last year. We will not have to travel to Levy's headquarters. Leads from last year are still valid, because the training is good for three years. **If you are interested in being a volunteer lead** please let me know and indicate if April 8, 9, or 10 works for you for a training at 6:30pm at Resurrection. Please let me know if all three of those dates work as well. It will make it easier to schedule the training. Lasts years' volunteers will have to renew to serve alcohol, but Levy has a new provider. Watch for that information out once you sign up for games.

The Booster Club does everything in its power to help Resurrection Athletics. Since I have been here the club has purchased:

- New Softball Team Benches
- An iPad for coaches to film games
- A squat rack for the weight room
- Bleachers for parents to sit at the Lacrosse Field
- An outdoor batting cage for the Softball Team
- Uniforms for the Volleyball Team
- Team wrist guards for the bowling team
- Coach Busses for the Volleyball Team when they qualified for state
- Team bags for all varsity sports teams.
- All New Banners in the Gym

Future Purchases on the list include:

- Indoor turf time for spring sports
- Portable exercise bikes to allow injured players to stay in shape while they watch practice

The Booster Club furnishes many of these items on its own from the Concession Stand, Trivia Night, and running concessions at Wrigley Field, but with the help of donations the club could do even more!
