Swimming Is Performing Well – The swim team is only a few meets into the season and already over half the Varsity team recorded personal bests at the St. Viator Invitational. Murphy Killion was moved up from JV to Varsity before this meet and performed well. She will strengthen our varsity squad moving forward. The JV squad is also performing well. Many girls are competing in race formats that are new to them. With many of the JV girls recording personal bests each week, the team looks forward to a strong season with the goal of producing strong swimmers to compete at the varsity level. The team also placed 5th out of 12 teams at the Little Village Invitational on September 15th. This was a varsity-only event where some JV swimmers were mixed in for experience, making the 5th place finish very impressive.

Lacrosse Cuts Will Be Made This Spring – Resurrection lacrosse has been growing by approximately 10 girls each year for the last three years. If that trend continues we would anticipate 70 girls in lacrosse this spring. This is too great a number to ensure a competitive program. At the varsity level the best players play, and at the JV level the program needs the girls with the most potential to help the varsity team to get adequate playing time. For that reason, this spring there will be cuts in lacrosse. The coaching staff reserves the right to cut **varsity to 22 players**, and **JV to 20 players**. The coaching staff may decide to keep more on the team depending on the talent-level at tryouts, but could cut down to these amounts. **The lacrosse program will still keep all interested freshmen.** We are publishing this information now so everyone is aware that lacrosse will no longer be a no-cut program at the JV and Varsity levels.
