Volunteers Needed for Wrigley Field Concessions Stand Fundraiser –

The Athletic Booster Club needs volunteers for its final Cubs games this year. Resurrection Athletic Boosters is a parent-run club, which solely benefits athletics at Resurrection. Resurrection Athletic Boosters have been running the Red Line Grill (Stand 422) in the Bleachers of Wrigley this year and has made approximately \$900 per game. With this money the booster club has already purchased new sports banners in the gym, bleachers for lacrosse, new JV softball benches, and new volleyball uniforms.

Sept 28: 4 volunteers needed

Sept 29: 8 volunteers needed

Sept 30: 6 volunteers needed

Playoffs Oct 5: 10 volunteers needed

Please email Athletic Director Mr. Eddie Kane at ekane@reshs.org if you are interested in volunteering.

Cross Country Hosts Archdiocese-Wide Tournaments – The Resurrection cross country team hosted their annual Jr. Bandit Cross Country meet on September 8th and have continued to host grammar schools from throughout the archdiocese. If you drove by the Resurrection parking lot the past two Friday afternoons, you would have seen our parking lot full and teams of 5th to 8th grade runners, their parents and coaches! The Resurrection cross country program has been hosting every Archdiocese of Chicago Cross Country Meet for the City Suburban Catholic Conference and there have been approximately 400 runners in grades 5 to 8 here at Resurrection each Friday afternoon. The Championship Meet will be held this Friday, September 28.

THANK YOU to the Resurrection coaches and cross country team for their efforts in bringing potential Resurrection athletes and their families to our campus! With over 22 acres of land, the Resurrection campus offers a rare opportunity for a school located in Chicago to host outdoor sporting events. Hosting these meets is a great way to showcase Resurrection to future Bandits and other families and we appreciate the efforts of our cross country program.

JV Volleyball Takes Second at Niles North Tournament – The JV volleyball team took second at the Niles North Invitational. Please congratulate these student-athletes! The JV girls are working hard and making strides as a team. The team's success will be closely watched the rest of the season, as the JV program will be relied upon to fill open slots for Varsity next year when seniors graduate.

Tennis Season Is Winding Down with a Strong Finish – Varsity tennis is 2-2 in league play and hoping to finish the season in the top 3 in the GCAC when they go to the League Championships on October 6. We have one of the larger teams in the league for JV, while other schools struggle to fill a complete JV roster. Right now JV has only played one full league match of 2 singles and 3 doubles and they won that match. The team is positioned to win the GCAC this weekend in the GCAC tournament, which will feature individuals from five of the GCAC schools. Good luck, Bandits!!!

Lacrosse Cuts Will Be Made This Spring – Resurrection lacrosse has been growing by approximately 10 girls each year for the last three years. If that trend continues we would anticipate 70 girls in lacrosse this spring. This is too great a number to ensure a competitive program. At the varsity level the best players play, and at the JV level the program needs the girls with the most potential to help the varsity team to get adequate playing time. For that reason, this spring there will be cuts in lacrosse. The coaching staff reserves the right to cut **varsity to 22 players**, and **JV to 20 players**. The coaching staff may decide to keep more on the team depending on the talent-level at tryouts, but could cut down to these amounts. **The lacrosse program will still keep all interested freshmen.** We are publishing this information now so everyone is aware that lacrosse will no longer be a no-cut program at the JV and Varsity levels.

Fall Sports Picture Day – Fall Sports Picture Day is **Monday, October 1, 2018**. If a team has two sets of uniforms for home and away, the coach will tell student-athletes what color uniform to pack for pictures. The schedule for Picture Day is as follows:

Golf 3:15 – 3:30

Tennis 3:30 – 4:00

Cross Country 4:00 – 4:30 *

Volleyball 4:30 – 5:15 *

Swim 5:15 – 5:45 *

* Please note a change in times has been made for Cross Country, Volleyball, and Swim.

There will be ordering forms available on October 1 or you may order online using code RN908013X0 at the following link when it is active:
