Reminders

Emergency Contact & Medical Forms

Completed Emergency Contact forms and Medical Forms are now due. Please remember, updated forms must be submitted annually. Also, in order to comply with the State of Illinois, the **Class of 2019 (seniors) must also submit proof of 2 doses of Meningococcal vaccine** by October 15. [2018-19 Forms are available here.](#)

Student Drop-off & Pick-up Reminder

*Students are to use door #8 in the morning to enter the building before school. **Drop-off is in the main parking lot by the gym at the entrance to door #8.** No students are to use the Main Entrance unless they are arriving after the school day begins and door #8 is locked.*

*After school, pick-up is outside door #3 and door #8. For the safety of students and emergency vehicle access, the drives are to remain clear of standing traffic. **Drivers must pull into a parking space to wait for their students.** This will help alleviate traffic congestion and make the parking lot and drives much safer for those students who are walking to meet rides or leaving our campus.*

Students remaining in school after the school day ends are to be under the direct supervision of a faculty or staff member. *The academic area of the building closes at 4:15 pm. Students waiting for a ride after 4 pm are to wait outside the Main Office by door #1.*
