COLLEGE PREP HIGH SCHOOL

celebrating **90** years
of educating women

September 2011

Dear Friend of Resurrection College Prep High School,

What were you doing 90 years ago? The Sisters of the Resurrection were taking on the mission of advancing society through the education of young women. In 1922 the Sisters expanded their Catholic boarding school to include a single-gender high school division and Resurrection High School officially began. The 1920's were a decade of great change and opportunity for women in the United States and the Sisters were right in step. Over these past 90 years Resurrection has prepared more than **13,000** young women, from all walks of life, for success in college and beyond. Thanks to the generosity and support of friends like you, their educational ministry is still thriving. **Today we are proud to be the largest all girls Catholic high school on the north side of Chicago!**

As we enter our 90th year, we are planning a full year of celebration with several exciting events. We invite you to be part of our celebration as a 90th Anniversary sponsor or donor. Your support will help to keep our educational future bright and available to as many young women as possible.

The enclosed form lists many participation opportunities for one or all of our anniversary events. Please select one that is right for you or your organization and know that your involvement really does make a difference.

An anniversary is a great time to look back at successes and accomplishments with pride and gratitude. It also an opportunity to renew vision, spirit and hope for the future. We hope that you will join us as we look ahead to our next 90 years. Thank you for your generous support of Resurrection College Prep High School as we begin our celebration of **90 years of educating women!**

Sincerely,

Carol E. Marchetti
