COLLEGE PREP HIGH SCHOOL

*Caritate et Veritate*

**Summer 2020**

Academic Credit and Enrichment  
for young women in grades 9 thru 12

## **Mission**

Resurrection College Prep High School is a Catholic Christian community dedicated to the education of young women, and to the development of their God-given talents. Convinced of God's unconditional love and nourished by the Risen Lord, Jesus Christ, we are committed to the spiritual, ethical, intellectual, physical and social growth of our students.

## **Sponsorship**

Resurrection College Prep High School has been sponsored by the Sisters of the Resurrection for the past 98 years. The order was founded in Rome in 1891 by Blessed Celine Borzecka and her daughter Mother Hedwig, and the Sisters began their educational ministry in the United States in 1900 when Sister Anne Strzelecka, C.R. opened Resurrection College Prep High School in 1922. Central to the Sisters' mission is the transformation of society by uplifting women through education. Since its founding, Resurrection has enabled thousands of alumnae to reach their full potential and become leaders of Charity and Truth. Today, Resurrection incorporates cutting-edge academic programs and activities that prepare young women for success in college, career, and life.

When the Sisters of the Resurrection recognized that the dwindling number of Sisters would make it impossible for them to continue operating Resurrection College Prep High School, the Christian Brothers of the Midwest generously stepped forward to welcome Resurrection into their Lasallian network of schools and an announcement was made in May 2019 regarding the sponsorship transition. As the transition nears completion, we celebrate that Resurrection College Prep High School will be a Lasallian school in the Resurrection tradition to honor the school's past, present, and future.

Lasallian education enriches the whole person through teaching, technology and the development of the student's cultural, intellectual, physical, social and spiritual well-being. Lasallian education centers on Catholic values and personal relationships, emphasizing academic excellence, faith formation, inclusion, respect for the individual, service and social justice. Lasallian education is rooted in the mission of Saint John Baptist de La Salle, patron saint of teachers, who founded the Institute of the Brothers of the Christian Schools (De La Salle Christian Brothers) more than 300 years ago. De La Salle transformed education by forming a community of educators with whom he developed a spirituality of teaching and learning, to give a human and Christian education to young people, especially the poor. Today, the De La Salle Christian Brothers and Lasallian Partners continue to respond to students through advancements in teaching, technology and scholarship. In Lasallian communities, educators touch hearts, stimulate minds and cultivate leadership to prepare students for life, work and service to society and the Church.

## **Motto and Logo**

"Caritate et Veritate." The motto has been and continues to be central to the values and philosophy of Resurrection College Prep and is part of the Resurrection approach to education. The motto has been etched into all logos and documents of the school from the very beginning of the school's founding in 1922. By expressing and celebrating the words "Charity and Truth" we acknowledge that God's love for us is merciful and unfailing. The truth is that God's love for us is unconditional and from that love we express God's love and charity through our own actions. As the Resurrection community, we believe that God calls us to work together for the resurrection of society, bringing His life and love to all and we represent the Resurrection in this manner.
