Dear Families,

Transfer Student Orientation is quickly approaching next week: Tuesday, August 25 for all transfer students, regardless of their Cohort assignment. We are quite excited about meeting all of our transfer students on-campus on this day. To help you prepare for your orientation, a brief overview is provided below. Your daughter will also be attending her class level orientation by Cohort as well: **Sophomores on Wednesday, August 26, Juniors on Thursday, August 27 and Seniors on Friday, August 28.**

All students will enter through the Main Entrance, Door 1 where they will be screened and their temperature checked. Students must wear a facemask throughout their time on campus. When each cohort is dismissed, students will exit the building through Door 8 into the Main Parking lot accessible from Oriole Street. Parents/drivers are encouraged to wait for their student in a parking space to eliminate traffic congestion.

What to wear: Students should wear their uniform. If it is on backorder, please wear a pair of slacks and a polo or blouse, with sleeves, that also covers the midriff. Sneakers or casual shoes may be worn. No shorts, sandals, flip flops or crocs, please.

What to bring: **Please bring a pen or pencil, a notebook and a water bottle as no water fountains will be accessible.** Students do not need to bring any textbooks or other materials.
