

100 YEARS OF EDUCATING YOUNG WOMEN

February 27, 2022 | Weekly Update

Dear RES parents,

As a reminder, tomorrow, February 28, 2022, Resurrection will implement our mask optional policy for students and staff. On Friday, Ms. Hanrahan shared a video with our students encouraging them to discuss their mask preference with you, their parents. She also explained to our students that staff members are not responsible for monitoring your family's mask choice throughout the day. We will also not be able to honor any special requests for seating preferences within the classroom and throughout the school. You can download Dr. Piwowarski's full mask optional COVID-19 policy released on February 23, 2022, [here](#).

The following COVID-19 mitigations will continue to be in place:

1. Students who test positive for COVID-19 will be required to quarantine for five days. Students coming out of isolation and quarantine must wear a mask on Days 6 through 10 and we will separate their seating during lunch
2. Students will be required to quarantine for five days if they are exposed to COVID-19 and not vaccinated
3. We will contact trace and ask students to remain in their assigned lunch seats they chose a month ago

Please remind your daughter(s) to be respectful of her classmates' and teachers' choice to wear or not wear a mask. We will continue to review guidelines ISBE and the local health authorities communicate.

Wednesday, March 2nd begins the Lenten season. We will host a prayer service in the morning and offer ashes to students. Only non-meat options will be available for purchase in the cafeteria that day. Our Mission and Ministry department will make additional announcements later in the week around student Lent projects.

Your daughters will need to continue to have conversations with you around their class schedule for the 2022-23 school year. Please don't hesitate to contact Ms. Hanrahan at thanrahan@reshs.org if you have any questions. You can access the curriculum guide on the RES website, <https://www.reshs.org/academics/curriculum-guide>.

Student Services sent their monthly newsletters to students last week. There are tips on course registration, college updates, and information on PSAT and ACT Registration. Download the newsletter [here](#).

Our students will be off this Friday, March 4th as we are hosting our 7th grade Experience RES Day for our prospective students. We have numerous events coming up in March and April. I hope your daughter(s) will be able to participate.

Athletics

Spring tryouts for track and field, softball, water polo, soccer, and lacrosse begin this week. Make sure your daughter's physical is current and on file. You can find the tryout schedule on the athletic section of our website, <https://www.reshs.org/athletics/athletic-tryouts>.

Students need to be at least 16 years old to donate, and those students who are 16 or 17 years old will need a permission slip. Your daughter can look for more information around the school for weight requirements and how to sign up this week.
