Dear Seniors and Guardians/Parents of Seniors:

I know that we are all anxious to have Senior Portraits taken. Please know that I am working with the administration and the photography company to find a date and manner in which to safely take the portraits. Please read the information below about the parameters for this year's Senior Portraits. I anticipate that there may not be a lot of time between notification of the portraits and the portraits themselves, so please consider planning ahead with the required items.

* **The student will be taking only the black top and pearl formal portraits.** This portrait can be purchased by families, is used in the yearbook, and is used by the school for a variety of purposes.

* **We will not be offering cap and gown photos or outfit changes at Resurrection.**

* **If you would like to have a cap and gown photo or a photo in another outfit, please feel free to go to the Mokena Studio.** You may do those as soon as you like. Call Prestige Portraits at 630-910-6800 option 5 to make an appointment.

* **Senior Portraits will be taken wearing the student's own black sweater and optional pearl necklace.** We usually provide a black velvet drape and pearls for students to wear for their photo, this year the sharing of items is not permitted. Instead, we are asking that students wear their own black sweater and pearls following the listed guidelines below.

- Black crew neck sweater
- At least $\frac{3}{4}$ length sleeves
- No Buttons
- No off the shoulder, v-neck, or wide necklines
- No textures (stripes, cable knit, etc)
- Pearls are optional (but highly suggested) and must be brought from home

Seniors, please figure out the apparel that you will be wearing for the Senior Portrait since we may be taking portraits without much advance notice.

Below are a few links to some sweater options; however, *do not feel like you need to purchase a new top or are required to buy one shared here.*

Please know that as a mom of a Resurrection senior, I understand how important Senior Portraits are to our girls!

Sincerely,

Nicole McGrath
