

Important Athletic Communication Links

Accessing 8to18:

Go to www.reshs.org. Hold your cursor over Athletics on the top Menu Bar. Then click on Athletic Schedules. This brings you to a page with announcements in the upper left (that is where I cancel games or make any changes by 2:30 pm). On the page with announcements you can also hold your cursor over "Athletics" and your daughters sport will appear. Click on her sport and then click on the left hand side of the page for the "schedule and results."
