Resurrection Process for Fall Sports Tryouts

I want to give incoming freshmen families information on how our fall sports tryouts run at Resurrection. As you look at the tryout schedule below, you will notice that volleyball tryouts occur before the other four fall sports. This is because we traditionally have had many cuts from volleyball. Starting the other sports tryouts *after* volleyball allows for girls to try out for a second sport if they are cut from volleyball. While we wish none of our student-athletes would need to be cut from a sport, they are a fact of life in high school athletics. For girls interested in volleyball, it might be wise to also have a backup fall sport.

In the fall season, Resurrection also offers Cross Country, Tennis, Swim, and Golf. Both Swim and Cross Country are no-cut sports. As long as the girls are dedicated and show up to practice every day and work hard they can be on the team. Depending on the year, Tennis and Golf may have a few cuts. It just depends on how many girls are at tryouts.

If you know you are interested in Golf or Cross Country, please note that the coaching staff is holding open runs for Cross Country and open hits for Golf prior to the actual tryouts. This is a great way to come out and meet the coaching staff before tryouts and these workouts are listed below.

Fall Sports Schedules Available Online

Are these schedules final? The schedules are basically final. In some sports, we are waiting for one or two schools to get back to us for games. There may also be one or two games moved as the school year begins and schools realize their Open Houses or Back to School nights' conflict with a game. Other than that these are final.
