

Trish Moll '86

Resurrection College Prep 2020 Renaissance Award Recipient

Tonight, Resurrection College Prep High School honors Trish Moll '86 with the 2020 Renaissance Award. The Renaissance Award is the school's highest honor and is awarded to an individual who exemplifies the Resurrection spirit and embraces new ideas, independent thought and classical values.

An alumna from the Class of 1986, Trish earned a Bachelor of Science in Business Administration with concentrations in Finance and Marketing from Marquette University in 1990. While at Marquette, she was a founding member and Vice President of the Eta Mu Chapter of Alpha Phi Sorority. One week before graduating from college, Trish began her career at Ameriprise Financial, a Fortune 250 company. A Certified Financial Planner Practitioner since 1993, she has grown to be a leader in her industry, and as the Senior Franchise Field Vice President in the Mid-America region of Ameriprise Financial, she leads over 480 advisors who serve thousands of clients. She prides herself on helping advisors grow their business in a compliant and client-centric way. Also at Ameriprise Financial, she is on the board of the Women's Empowerment Network, a grassroots organization that is comprised of 900 women advisors and staff dedicated to engaging, educating, and empowering the women of Ameriprise and to grow more women in the financial services field.

While a student at Resurrection, Trish participated in basketball, track, and Student Council. She was voted "Most Involved" by her Senior Class peers and served as Student Council President. She continues to support Resurrection and generously shares her gifts of time and talent by presenting to students at Career Days, as a speaker at awards ceremonies, and as an active alumna. She has also served on special advisory committees of the Resurrection Board, including the Ad-Hoc Subcommittee of the Finance Committee. Additionally, Trish continues to give back to the larger community. She has served in a leadership role and currently as the treasurer of her condominium association, has served on the Corporate Arts Council of the Steppenwolf Theater, and has served as a member of Impact 100 of the Bear Necessities Pediatric Cancer Foundation.

In 2018, Trish was inducted into the Resurrection College Prep Hall of Fame as one of the Blessed Celine Award recipients. The recipients of the Blessed Celine Award are accomplished in their fields of endeavor and, like Blessed Celine, work toward the advancement of women in society and act as positive Christian role models for young women.

As a business professional, mentor, and volunteer, Trish's leadership exemplifies the values of the Renaissance Award. She has worked to advance the opportunities for women and she has been committed to teaching the values instilled at Resurrection. In her life, Trish has displayed alignment with the mission and vision of Resurrection and we are pleased to honor her with the 2020 Renaissance Award.
