

October 5, 2020

Dear Resurrection College Prep High School,

It is an honor and a privilege to write to you in my capacity as Chair of the Search Committee that has been established to find the next President of Resurrection College Prep High School. As a leader in the education of young women, we are grounded in the Catholic faith and values of the Sisters of the Resurrection, now fortified and enriched by our entrance into the Lasallian network of the Christian Brothers. As we begin the search for the next President, the Board and the Search Committee look to you, the Resurrection College Prep community, to help guide our search. We seek your input to ensure that the diverse values of our special school are articulated and prioritized.

In consultation with the Board of Directors and the Midwest District of the Christian Brothers, we have decided to partner with Carney, Sandoe & Associates (CS&A) to assist Resurrection College Prep with the search. CS&A is a recognized leader in recruitment and strategic consulting services for educational institutions, especially with Catholic schools. We are fortunate to be working closely with Barbara Daush and Bob Vitalo, both Senior Consultants with the firm. Barbara and Bob are both experienced heads of school and actively work in the Catholic Schools practice of the firm. As members of the firm, they have conducted numerous searches for leaders and have extensive contact with an international network of Catholic school leaders. Barbara and Bob will spend days in early October meeting with various constituencies in order to learn all that makes Resurrection a unique learning experience for our girls.

As part of the information gathering process, in the coming weeks we will be emailing you an online survey that will ask you to share your perspective on what is needed in our next leader; your participation is vital and we encourage you to complete the survey. Further, we welcome any nominations you might have for a potential candidate. The information gleaned from the survey will be shared with the Search Committee to assist in our judgment and priorities. Additionally, we will soon have a page on our website that will share the timeline and update the community on the process as we move forward.

Since 1922, Resurrection College Prep has been educating young woman to be strong leaders who carry out the school's motto of Charity & Truth. The task before the Resurrection College Prep community is a great one: building on our rich history and providing a strategic vision for the next chapter of excellence. The success of our next President begins with you, the Resurrection College Prep family. On behalf of the Board and the Search Committee, I thank you in advance for your support as we enter the next era of educating the hearts and minds of our girls.

Sincerely,

Carol M. Hetman
Chair, President Search Committee
Resurrection College Prep High School Class of 1973

We have established a special email address for the search. Questions and comments about the process can be sent to: PresidentSearch@reshs.org
